Ride Location: \_\_\_\_\_

I wish to sanction my ride with the Southeast Endurance Riders Association. I understand that application must be received in time for notification of the sanctioning to be made in the SERA newsletter. I further understand that I must be a member of SERA, that I must provide a minimum of 2 veterinarians for the ride, and all junior riders must wear a helmet. I also understand that my ride must be sanctioned by AERC.

I will send the ride results plus a sanctioning fee of \$2.00 per starting rider to SERA, c/o Alison Bailey, 9205 Simpson Road, Waxhaw, NC 28173 within 60 days of the ride or December 1, whichever comes first. Failure to do so will result in a \$200 fine.

Note: Certificates of insurance will be provided to SERA sanctioned rides at your request. Your landowner or other party may ask that you provide a certificate of insurance as proof of SERA's insurance coverage; or your landowner or other party may ask for additional insurance requirements. If additional insurance requirements are needed, please make this request in writing to Laurie Underwood whose contact information is at bottom of this form. Proof of insurance and/or certificates of insurance naming parties as certificate holders should be requested at the time of ride sanction application submittal\*\*.
